

The SESK Party Game

STUFF EVERY MILITARY RECRUIT SHOULD KNOW

How to play (30 seconds)

1. The reader reads a card and its three answers out loud.
2. Everyone says "One, two, three, Goldilocks!" and holds up 1, 2, or 3 fingers.
3. The reader flips the card and reads the answer and the Why.
4. Everyone who was right takes a point.
5. The reader reads the joke with a straight face. Anyone laughs or groans? The reader takes a point. Nobody got it right? The reader takes a point.
6. Pass the deck left. Most points when the points run out wins.

What you need

These cards and the point tokens on the last two pages. No tokens? Use coins, buttons, pebbles, or marshmallows. 3 to 10 players, ages 8 and up.

Expert rule: Bet It

Before the reader flips the card, you may put one of your points on your answer. Right: take your normal point plus one extra. Wrong: your bet goes back to the pile. That's it.

Printing

Print single-sided, on cardstock if you have it. Cut on the dashed lines. Each card is a 3.5 x 5 inch index card. The answer half is upside down on purpose, so the table can't peek. Cards 1 to 50 of 124. More cards and the free daily online game at sesk.info. Built 2026-10-13.

FLIP FOR THE ANSWER

#10521

SESK.INFO

STRAIGHT FACE
Why did the recruit bring a ladder to the ASVAB? He heard it would take him to the next level.

B Armed Services Vocational Aptitude Battery
WHY ASVAB is short for Armed Services Vocational Aptitude Battery. A battery is a group of tests given together, and this one is the test you take to join the US military.

MILITARY ENTRANCE TEST (ASVAB)

ASVAB scores are mainly used for which two things?

- A** Setting your rank and your starting pay
- B** Picking your boot camp and your first base
- C** Deciding if you can enlist and which job fits you

FLIP FOR THE ANSWER

#10522

SESK.INFO

C Deciding if you can enlist and which job fits you
WHY The ASVAB answers two questions: are you qualified to join, and which military jobs suit you? Rank and base come from other rules, not your test score.

MILITARY ENTRANCE TEST (ASVAB)

Where is most enlistment ASVAB testing done?

- A** At a Military Entrance Processing Station (MEPS)
- B** At your recruiter's office
- C** At a public library testing room

FLIP FOR THE ANSWER

#10523

SESK.INFO

STRAIGHT FACE
My recruiter drove me to MEPS. He said it was the least he could do, since I was taking the test and he was taking the wheel.

A At a Military Entrance Processing Station (MEPS)
WHY Most applicants take the ASVAB at a MEPS. If you live far from one, you can test at a smaller satellite spot called a Military Entrance Test (MET) site.

MILITARY ENTRANCE TEST (ASVAB)

How many subtests make up the computer CAT-ASVAB?

- A** 4
- B** 10
- C** 15

FLIP FOR THE ANSWER

#10524

SESK.INFO

STRAIGHT FACE
How do you make seven even? Take away the s.

B 10
WHY The CAT-ASVAB has 10 subtests. The paper ASVAB combines Auto Information and Shop information into one subtest, so it has nine.

MILITARY ENTRANCE TEST (ASVAB)

The ASVAB subtests measure aptitude in which four areas?

- A Reading, Writing, History and Fitness
- B Verbal, Math, Science and Technical, and Spatial
- C Logic, Memory, Speed and Leadership

FLIP FOR THE ANSWER

#10525

SESK.INFO

B Verbal, Math, Science and Technical, and Spatial
WHY Each ASVAB subtest falls into one of four domains: Verbal, Math, Science and Technical, or Spatial. There is no history or fitness section on the ASVAB.

MILITARY ENTRANCE TEST (ASVAB)

What does the Assembling Objects subtest measure?

- A How fast you can build a kit with your hands
- B How well you follow written repair steps
- C How an object will look when its parts are put together

FLIP FOR THE ANSWER

#10526

SESK.INFO

C How an object will look when its parts are put together
WHY Assembling Objects is a picture puzzle. You compare separated parts with choices showing how they fit together; you do not build anything by hand.
STRAIGHT FACE I bought furniture with no instructions. Now it's a puzzle with a side of mystery.

MILITARY ENTRANCE TEST (ASVAB)

Which ASVAB subtest is given for enlistment but NOT in the school testing program?

- A Assembling Objects
- B Word Knowledge
- C General Science

FLIP FOR THE ANSWER

#10527

SESK.INFO

A Assembling Objects
WHY Schools give the ASVAB as part of the Career Exploration Program. Its content matches the enlistment test, except Assembling Objects is left out.
STRAIGHT FACE Why did the pencil get a promotion? It finally got to the point.

MILITARY ENTRANCE TEST (ASVAB)

Which four subtests are combined into your AFQT score?

- A Arithmetic Reasoning, Math Knowledge, Word Knowledge, Paragraph Comprehension
- B General Science, Electronics, Mechanical Comprehension, Auto and Shop
- C Word Knowledge, Paragraph Comprehension, General Science, Assembling Objects

FLIP FOR THE ANSWER

#10528

SESK.INFO

A Arithmetic Reasoning, Math Knowledge, Word Knowledge, Paragraph Comprehension
WHY Your AFQT comes from two math tests (AR and MK) and two verbal tests (WK and PC). The science and technical tests matter for jobs, not for the AFQT.

MILITARY ENTRANCE TEST (ASVAB)

Are the ASVAB and the AFQT two separate exams?

- A** Yes, you take the AFQT the day after the ASVAB
- B** No, the AFQT is a score from four ASVAB tests
- C** Yes, the AFQT is only for officers

FLIP FOR THE ANSWER

#10529

SESK.INFO

STRAIGHT FACE
Two for the price of one? Nope. The AFQT is a bonus score, not a bonus test.

B No, the AFQT is a score from four ASVAB tests
WHY There is one enlistment exam. The AFQT is computed from four ASVAB subtest scores and is used to decide enlistment eligibility.

MILITARY ENTRANCE TEST (ASVAB)

How are AFQT scores reported?

- A** As percent correct, from 0 to 100
- B** As letter grades, from A to F
- C** As percentiles, from 1 to 99

FLIP FOR THE ANSWER

#10530

SESK.INFO

STRAIGHT FACE
Fifty percent of people don't understand percentiles. The other half are taking the ASVAB.

C As percentiles, from 1 to 99
WHY An AFQT score is a percentile, not the percent you got right. It compares you with a national group of young adults, so the top score is 99.

MILITARY ENTRANCE TEST (ASVAB)

Your AFQT score is 62. What does that mean?

- A** As well as or better than 62% of the group
- B** You answered 62% of the questions right
- C** You answered 62 questions right

FLIP FOR THE ANSWER

#10531

SESK.INFO

STRAIGHT FACE
I got a 62 on the AFQT. My dad asked if that was out of 62.

A As well as or better than 62% of the group
WHY A percentile compares you with other people. The comparison group is a national sample of 18 to 23 year olds from a 1997 study. It says nothing about how many you got right.

MILITARY ENTRANCE TEST (ASVAB)

Which AFQT scores put you in Category I, the top group?

- A** 65 to 92
- B** 50 to 64
- C** 93 to 99

FLIP FOR THE ANSWER

#10532

SESK.INFO

STRAIGHT FACE
Why did the 99 brag at the party? It knew it was in a class of its own.

C 93 to 99
WHY AFQT scores are grouped into categories. Category I is 93 to 99, Category II is 65 to 92, and Category IIIA is 50 to 64.

MILITARY ENTRANCE TEST (ASVAB)

- C** It is the lowest passing score

FLIP FOR THE ANSWER

#10533

SESK.INFO

What's an average joke? One that's right in the middle of the road. Mean, but fair.

STRAIGHT FACE

B About half of people score at or above it
WHY Subtest scores are standard scores, compared with a national sample of 18 to 23 year olds. About half score 50 or more, and only about 16% reach 60.

MILITARY ENTRANCE TEST (ASVAB)

On the computer CAT-ASVAB, what usually happens after you answer a question right?

- A** The next question is easier
- B** The next question is harder
- C** The test skips to the next subtest

FLIP FOR THE ANSWER

#10534

SESK.INFO

The CAT-ASVAB is like a drill sergeant. Do well and it just gives you more.

STRAIGHT FACE

B The next question is harder
WHY CAT-ASVAB is adaptive. A right answer usually brings a harder question, and a wrong answer brings an easier one, so it zeroes in on your level with fewer questions.

MILITARY ENTRANCE TEST (ASVAB)

Is the computer CAT-ASVAB harder to score well on than the paper ASVAB?

- A** Yes, computer scores run lower
- B** No, scores should be very similar either way
- C** Yes, paper scores run lower

FLIP FOR THE ANSWER

#10535

SESK.INFO

Paper or computer? Either way, the answer is still B.

STRAIGHT FACE

B No, scores should be very similar either way
WHY The computer test can feel harder because it picks questions at your level. But both versions are statistically linked by equating, so your score should be about the same.

MILITARY ENTRANCE TEST (ASVAB)

Can you use a calculator on the ASVAB?

- A** Yes, a basic four function one
- B** Only on Arithmetic Reasoning
- C** No, calculators are not allowed

FLIP FOR THE ANSWER

#10536

SESK.INFO

I don't trust calculators. Every time I use one, it adds to my problems.

STRAIGHT FACE

C No, calculators are not allowed
WHY No calculators on the ASVAB. It is a job test, and many military jobs need you to do quick math by hand, so bring your pencil skills.

MILITARY ENTRANCE TEST (ASVAB)

How long can ASVAB scores be used for enlistment?

- A** Up to six months
- B** Up to two years
- C** Up to five years

FLIP FOR THE ANSWER

#10537

SESK.INFO

STRAIGHT FACE
My ASVAB score is good for two years. My jokes have been expired since 1987.

B Up to two years
WHY ASVAB scores can be used to enlist for up to two years after you test. That includes school ASVAB scores, as long as they can be verified as yours.

MILITARY ENTRANCE TEST (ASVAB)

After your first ASVAB, how long must you wait to retake it?

- A** One week
- B** One calendar month
- C** Six months

FLIP FOR THE ANSWER

#10538

SESK.INFO

STRAIGHT FACE
If at first you don't succeed, wait a calendar month and try again.

B One calendar month
WHY You must wait one calendar month after your first test to retest. A second retest needs another one month wait.

MILITARY ENTRANCE TEST (ASVAB)

After you have taken two ASVAB retests, how long between each later retest?

- A** One month
- B** Six months
- C** Two years

FLIP FOR THE ANSWER

#10539

SESK.INFO

STRAIGHT FACE
Retest three takes six months. That's a lot of time to study, or to work on your dad jokes.

B Six months
WHY Retest one and retest two each need a one month wait. After that, every additional retest needs a six month wait.

MILITARY ENTRANCE TEST (ASVAB)

If your AFQT jumps 20 or more points on a retest within 6 months, what happens?

- A** The new score is thrown out
- B** You take a confirmation test
- C** You are barred from testing for a year

FLIP FOR THE ANSWER

#10540

SESK.INFO

STRAIGHT FACE
My score went up so much they asked for proof. Best compliment I ever got.

B You take a confirmation test
WHY A gain of 20 or more AFQT points in six months is a Critical AFQT Gain. You must take a confirmation test, and you can take it right away without the usual wait.

MILITARY ENTRANCE TEST (ASVAB)

What is the PiCAT?

- A** An unproctored online ASVAB you can take from anywhere with internet
- B** A free practice app whose scores never count
- C** The paper ASVAB given at MET sites

FLIP FOR THE ANSWER

#10541

SESK.INFO

STRAIGHT FACE
Why did the cat take the PiCAT? It heard there'd be no time limits on its nap breaks.

A An unproctored online ASVAB you can take from anywhere with internet
WHY PiCAT stands for Pending Internet Computerized Adaptive Test. You get an access code from a recruiter and take it online, with no time limits on the subtests.

MILITARY ENTRANCE TEST (ASVAB)

Who is allowed to take the PiCAT?

- A** Anyone, up to three times
- B** Only people who failed the ASVAB
- C** Only people who have never taken the ASVAB

FLIP FOR THE ANSWER

#10542

SESK.INFO

STRAIGHT FACE
The PiCAT is like a first impression. You only get one.

C Only people who have never taken the ASVAB
WHY The PiCAT can be taken only once, and only by someone who has never taken the ASVAB. If you already tested, you retest at a MEPS or MET site instead.

MILITARY ENTRANCE TEST (ASVAB)

After a good PiCAT score, what must you do before it counts?

- A** Take a short proctored Vtest within 45 days
- B** Retake the full ASVAB at MEPS
- C** Nothing, it counts right away

FLIP FOR THE ANSWER

#10543

SESK.INFO

STRAIGHT FACE
The Vtest is like a dad checking your homework. Short, but he's watching.

A Take a short proctored Vtest within 45 days
WHY PiCAT is taken without a proctor, so eligible applicants confirm it with a Vtest at a MEPS or MET site. It takes about 25 to 30 minutes and gives no score of its own.

MILITARY ENTRANCE TEST (ASVAB)

On the CAT-ASVAB, do the tryout questions count toward your score?

- A** No, they do not count toward your score
- B** Yes, they count double
- C** Only if you get them right

FLIP FOR THE ANSWER

#10544

SESK.INFO

STRAIGHT FACE
Tryout questions are like a new joke at dinner. Nobody's keeping score yet.

A No, they do not count toward your score
WHY Tryout questions are new questions the test makers are trying out. They are mixed in with real ones in 2 to 4 subtests, so treat every question seriously.

MILITARY ENTRANCE TEST (ASVAB)

FLIP FOR THE ANSWER

#10546

SESK.INFO

Why did the soldier love line scores? He was always ready to fall in line.

STRAIGHT FACE

A Line scores
WHY The Army gives you two kinds of scores: the AFQT decides if you can join, and line scores decide which jobs fit. MAGE is the Air Force's name for its job composites.

MILITARY ENTRANCE TEST (ASVAB)

What is an Army job called?

- A A rating
- B A Military Occupational Specialty (MOS)
- C An AFSC

FLIP FOR THE ANSWER

#10547

SESK.INFO

Why did the soldier bring a dictionary to MEPS? He wanted to pick an MOS with a lot of meaning.

STRAIGHT FACE

B A Military Occupational Specialty (MOS)

- A A rank
