STUFF EVERY GOLFER SHOULD KNOW

How to play (30 seconds)

1. The reader reads a card and its three answers out loud.
2. Everyone says "One, two, three, Goldilocks!" and holds up 1, 2, or 3 fingers.
3. The reader flips the card and reads the answer and the Why.
4. Everyone who was right takes a point.
5. The reader reads the joke with a straight face. Anyone laughs or groans? The reader takes a point. Nobody got it right? The reader takes a point.
6. Pass the deck left. Most points when the points run out wins.

What you need

These cards and the point tokens on the last two pages. No tokens? Use coins, buttons, pebbles, or marshmallows. 3 to 10 players, ages 8 and up.

Expert rule: Bet It

Before the reader flips the card, you may put one of your points on your answer. Right: take your normal point plus one extra. Wrong: your bet goes back to the pile. That's it.

Printing

Print single-sided, on cardstock if you have it. Cut on the dashed lines. Each card is a 3.5 x 5 inch index card. The answer half is upside down on purpose, so the table can't peek.

Cards 1 to 50 of 62. More cards and the free daily online game at sesk.info. Built 2026-10-13.

SPORTS & FITNESS

What is the most clubs a golfer may carry during a round?

- A** 14 clubs
- B** 12 clubs
- C** 16 clubs

FLIP FOR THE ANSWER

#9847

SESK.INFO

STRAIGHT FACE
Why did the golfer stop at 14 clubs? Because the bag said, that's enough, I'm not a club house!

A 14 clubs
WHY Rule 4.1b says a player must not start a round with more than 14 clubs or have more than 14 during it. The limit counts every club carried by or for the player.

SPORTS & FITNESS

In stroke play, what is the penalty for carrying a 15th club?

- A** One stroke per hole, no maximum
- B** Two strokes per hole, four strokes maximum
- C** Disqualification right away

FLIP FOR THE ANSWER

#9848

SESK.INFO

STRAIGHT FACE
Why did the 15th club get kicked out of the bag? It was one club too many for the party.

B Two strokes per hole, four strokes maximum
WHY Rule 4.1b gives the general penalty of two strokes for each hole where the breach happened. The total is capped at four penalty strokes for the round.

SPORTS & FITNESS

When is a golf ball at rest out of bounds?

- A** When any part of it crosses the line
- B** When half of it is past the line
- C** Only when all of it is outside the boundary

FLIP FOR THE ANSWER

#9849

SESK.INFO

STRAIGHT FACE
Why did the golf ball stay on the line? It wanted to keep things in bounds.

C Only when all of it is outside the boundary
WHY Rule 18.2a says a ball is out of bounds only when the whole ball is outside the course's boundary edge. If any part touches or hangs over the course side, it is still in bounds.

SPORTS & FITNESS

Your tee shot goes out of bounds. What must you do under the standard rule?

- A** Add one stroke and replay from where you last hit
- B** Drop where it went out, no penalty
- C** Add two strokes and drop where it went out

FLIP FOR THE ANSWER

#9850

SESK.INFO

STRAIGHT FACE
Why did the golfer go back to the tee? He forgot to pack his ball's passport.

A Add one stroke and replay from where you last hit
WHY Rule 18.2b says a ball that is lost or out of bounds needs stroke-and-distance relief. You add one penalty stroke and play again from the spot of your previous stroke.

SPORTS & FITNESS

When may a golfer choose stroke-and-distance relief?

- A** Only when the ball is lost
- B** At any time, from anywhere on the course
- C** Only from the teeing area

FLIP FOR THE ANSWER

#9851

SESK.INFO

STRAIGHT FACE
Why do golfers love stroke and distance? It's the one relief that's always on the menu.

B At any time, from anywhere on the course
WHY Rule 18.1 lets a player take stroke-and-distance relief at any time by adding one penalty stroke. It is available even when another Rule requires relief a certain way.

SPORTS & FITNESS

Why does a golfer play a provisional ball?

- A** To practice a second swing for free
- B** To save time if the first ball might be lost
- C** To replace a ball in a water hazard

FLIP FOR THE ANSWER

#9852

SESK.INFO

STRAIGHT FACE
Why did the golfer bring a spare ball? Just in case the first one wanted some alone time.

B To save time if the first ball might be lost
WHY Rule 18.3a allows a provisional when the original might be lost outside a penalty area or out of bounds. It can save a return to the previous spot.

SPORTS & FITNESS

Before hitting a provisional ball, what must a golfer do?

- A** Say 'I'll hit another one'
- B** Tee it up a club-length forward
- C** Announce it is a provisional ball

FLIP FOR THE ANSWER

#9853

SESK.INFO

STRAIGHT FACE
What did the golfer say before his second shot? Provisionally, I'm still having fun.

C Announce it is a provisional ball
WHY Rule 18.3b says saying you are 'playing another ball' is not enough. You must say 'provisional' or clearly show it, or the new ball becomes your ball in play with a penalty.

SPORTS & FITNESS

Your provisional ball sits closer to the hole than where your first ball likely is. You hit it. What happens?

- A** The provisional becomes your ball in play
- B** You may still look for the original
- C** Both balls stay in play

FLIP FOR THE ANSWER

#9854

SESK.INFO

STRAIGHT FACE
Why was the provisional ball so confident? It knew it might get promoted any minute.

A The provisional becomes your ball in play
WHY Rule 18.3c says hitting the provisional from a spot nearer the hole than the original's estimated spot makes it your ball in play. The original is then a wrong ball, even if found.

SPORTS & FITNESS

How long may you search for a golf ball before it counts as lost?

- A** Five minutes
- B** Three minutes
- C** Ten minutes

FLIP FOR THE ANSWER

#9855

SESK.INFO

STRAIGHT FACE
Why do golfers only search for three minutes? Because after that the ball has officially moved on.

WHY Rule 18.2a says a ball is lost if it is not found within three minutes after the player or caddy starts looking. The clock starts when the search begins, not when the shot lands.

B Three minutes

SPORTS & FITNESS

You put a new ball in play under stroke and distance, then find your first ball. Can you play it?

- A** Yes, if found within three minutes
- B** Yes, with a one-stroke penalty
- C** No, the original is no longer in play

FLIP FOR THE ANSWER

#9856

SESK.INFO

STRAIGHT FACE
Why was the old golf ball sad? It got found, but it had already been replaced.

WHY Rule 18.1 says once another ball is in play under stroke and distance, the original must not be played. That is true even if you find it within the three-minute search time.

C No, the original is no longer in play

SPORTS & FITNESS

- A** Red or yellow
- B** White or blue
- C** Green or orange

FLIP FOR THE ANSWER

#9857

SESK.INFO

STRAIGHT FACE
Why did the golf ball avoid the red stakes? It didn't want to see red.

WHY Rule 17.1 says every penalty area is defined as red or yellow. The color changes which relief options you get. White usually marks out of bounds instead.

A Red or yellow

SPORTS & FITNESS

What extra relief option does a red penalty area give that a yellow one does not?

- A** Free relief with no penalty
- B** Lateral relief near where it crossed the edge
- C** A drop on the green

FLIP FOR THE ANSWER

#9858

SESK.INFO

STRAIGHT FACE
What's the difference between red and yellow stakes? About one extra way to say oops.

WHY Rule 17.1d gives yellow areas two options: stroke and distance, or back on the line. Red areas add a third: lateral relief. Each option costs one penalty stroke.

B Lateral relief near where it crossed the edge

SPORTS & FITNESS

Under standard Rule 17.1d(3), how big is the lateral relief area for a red penalty area?

- A** One club-length
- B** Two club-lengths
- C** Three club-lengths

FLIP FOR THE ANSWER

#9859

SESK.INFO

STRAIGHT FACE
Why did the golfer measure twice? He wanted a relief area he could really club with.

B Two club-lengths
WHY The standard rule measures two club-lengths from where the ball last crossed the red edge. Rule 25.4m expands it to four for a player using a wheeled mobility device.

SPORTS & FITNESS

Your ball is in a penalty area but you can hit it. Is there a penalty for playing it?

- A** No penalty, you may play it as it lies
- B** One penalty stroke

FLIP FOR THE ANSWER

#9860

SESK.INFO

STRAIGHT FACE
Why did the golfer bring a snorkel? He planned to play it as it lies.

A No penalty, you may play it as it lies

SPORTS & FITNESS

How many penalty strokes for taking relief from a yellow penalty area?

- A** None

FLIP FOR THE ANSWER

#9861

- B** A rules official
- C** The playing group by vote

FLIP FOR THE ANSWER

#9862

SESK.INFO

STRAIGHT FACE
Why did the golfer call his ball unplayable? It refused to come out of the bush and talk.

A The player only
WHY Rule 19.1 says the player is the only person who may decide to treat their ball as unplayable. Nobody else can make that call for you.

SPORTS & FITNESS

Where on the course can you NOT declare a ball unplayable?

- A** In a bunker
- B** On the putting green
- C** In a penalty area

FLIP FOR THE ANSWER

#9863

SESK.INFO

STRAIGHT FACE
Why can't you call a ball unplayable in the pond?
The pond already made that call.

C In a penalty area
WHY Rule 19.1 allows unplayable ball relief anywhere on the course except a penalty area. If the ball is stuck in one, your only relief is under the penalty area rule, Rule 17.

SPORTS & FITNESS

Your ball is unplayable under a bush in the rough. How many relief options do you have?

- A** Three options, one penalty stroke each
- B** One option, two penalty strokes
- C** Two options, no penalty

FLIP FOR THE ANSWER

#9864

SESK.INFO

STRAIGHT FACE
Why did the golfer pick option three? Because the bush wasn't taking visitors.

A Three options, one penalty stroke each
WHY Rule 19.2 gives stroke and distance, back-on-the-line relief, or lateral relief within two club-lengths. Each one adds one penalty stroke.

SPORTS & FITNESS

- A** Shoulder height
- B** Waist height
- C** Knee height

FLIP FOR THE ANSWER

#9866

SESK.INFO

STRAIGHT FACE
Why do golfers drop from knee height? Because shoulder height was too much of a stretch.

SPORTS & FITNESS

In the Rules of Golf, a club-length is measured with which club?

- A** Your longest club other than a putter
- B** Your putter
- C** Any club you choose

FLIP FOR THE ANSWER

#9867

SESK.INFO

STRAIGHT FACE
Why do golfers measure with the driver? Because it always goes the extra length.

A **Why** Your longest club other than a putter
The Rules define a club-length as the length of the longest of your clubs, other than a putter. For most players that is the driver.

SPORTS & FITNESS

Your ball plugs in its own pitch mark on the fairway. What relief do you get?

- A** One penalty stroke, two club-lengths
- B** No relief, play it as it lies
- C** Free drop within one club-length

FLIP FOR THE ANSWER

#9868

SESK.INFO

STRAIGHT FACE
Why was the golf ball so tired? It had a really deep sleep in its pitch mark.

C **Why** Free drop within one club-length
Rule 16.3b gives free relief for a ball embedded in the general area. You drop within one club-length of the spot right behind the ball, no nearer the hole.

SPORTS & FITNESS

When does a golf ball count as embedded?

- A** When someone steps on it and pushes it down
- B** When it sits in its own pitch mark, partly below ground
- C** Whenever the grass is longer than the ball

FLIP FOR THE ANSWER

#9869

SESK.INFO

STRAIGHT FACE
Why did the golf ball dig in? It wanted to put down roots.

B **Why** When it sits in its own pitch mark, partly below ground
Rule 16.3a says a ball is embedded only if it is in its own pitch mark from the previous stroke and part of it is below ground level. A ball stepped on is not embedded.

- B** Two penalty strokes
- C** No penalty

FLIP FOR THE ANSWER

#9871

SESK.INFO

STRAIGHT FACE
Why don't greens give penalties for bumps? They're just too putt together to care.

WHY Rule 9.4b has an exception: accidentally moving your ball on the putting green is never a penalty, no matter how it happens. You replace it on its spot.

C No penalty

SPORTS & FITNESS

In stroke play, you hit someone else's ball by mistake. What happens?

- A** Two penalty strokes, then play your own ball
- B** One penalty stroke, keep playing the other ball
- C** No penalty if it was the same brand

FLIP FOR THE ANSWER

#9872

SESK.INFO

STRAIGHT FACE
Why do golfers draw on their balls? So they don't end up playing somebody else's story.

WHY Rule 6.3c gives the general penalty, two strokes, for a stroke at a wrong ball. The strokes with the wrong ball do not count, and you must correct it by playing your own ball.

A Two penalty strokes, then play your own ball

SPORTS & FITNESS

SESK.INFO

STRAIGHT FACE
Why did the flagstick stay in? It didn't want to miss the putt.

A Yes, it counts as holed

- B** No, only ball marks may be fixed

FLIP FOR THE ANSWER

#9876

SESK.INFO

STRAIGHT FACE
Why do golfers fix spike marks? Because a smooth green keeps the putts rolling and the friendships too.

WHY Rule 13.1c lets you repair damage on the putting green, and that includes ball marks and shoe damage such as spike marks. Use your hand, foot, a repair tool, tee or club, and do not delay play.

A Yes, without penalty

Why do casual golfers love Local Rule E-5? It saves them a long walk of shame back to the tee.

WHY Model Local Rule E-5 lets a club offer a drop between where the ball was lost or went out and the edge of the fairway, for two penalty strokes. That is about what stroke and distance would cost.

B Two penalty strokes

SPORTS & FITNESS

The Local Rule alternative to stroke and distance is meant for which golfers?

- C** Casual rounds and club competitions

FLIP FOR THE ANSWER
